Representing over 25,000 graduate and professional students at the University of Minnesota

President's Reception at the new TCF Stadium

Every fall semester, GAPSA hosts the President's Reception for incoming students, and this year we are proud to host our event in the new TCF Stadium. Graduate and professional students get a chance to mingle with each other and meet President Bruininks, enjoy an Italian buffet (vegetarian options will be provided), have a caricature drawn, or get a henna tattoo!
