

V.P. Internal Affairs's Update
Zeeshan H Syedain
For the Month of October-Nov

The internal affairs committee will be holding its first meeting on November 10th. The committee will be conducting its bi-annual review of all executives in the coming month. The review is part of GAPSA efforts to develop internal structure of the organization. Beside reviews, committee will also be working on formalizing GAPSA office structure and staff policies.

I will also be serving as adviser to dispute resolution center and they will be meeting in the coming weeks. If any of the councils want to communicate any concerns and suggestion, as GAPSA rep they can do so by communicating it to me. Among the concerns I will be discussing will be lack of information about their resources to all graduate and professional students. Possible inclusion of DRC presentation in orientation seminars. At this point, their brochure is distributed with orientation packet, however overwhelming information in those packets doesn't provide students with all important resources.
