

AT-LARGE DIRECTOR

Bree Richards

December 2005

Madam President and Distinguished Assembly Members,

Since the last Assembly meeting, I have been working on two primary things:

1. Website reorganization and development.
2. Student satisfaction survey from 2004-2005.

I have been adding information to the website to give more information about what GAPSA is and what it does, as well as what occurs at the Assembly meetings. In addition, I have been working with our website designer to redesign the site to make it more user-friendly.

I have also been working with the past Vice President for Finance to obtain the results and data from the student satisfaction survey that GAPSA conducted in 2004-2005, in order to use it in our fees request for next semester.

A small constitution committee has formed, as well, and we have been reviewing GAPSA's constitution, bylaws, and internal job descriptions. The Assembly will be invited to give comments upon the completed review next semester.

ANNOUNCEMENTS:

Next semester, I will be soliciting ideas and information from Assembly members as well as your (and GAPSA's) constituents on increasing awareness of GAPSA. If you'd like to share ideas before then, please contact me.

Thank You,

Bree Richards
