

VICE PRESIDENT FOR STUDENT AFFAIRS

Kristen Denzer

Saturday, February 24, 2007

Madame President and Distinguished Assembly Members:

Since we last met I have attended several meetings and looked into drafting two resolutions. I looked into drafting a resolution on reciprocity, and met with Josh and Suzanne about the resolution. After discussing it with them, I decided to wait until we have more information to draft the resolution. I also have considered drafting a resolution on the MN Dream Act. I researched the MN Dream Act, and wrote the summary you have been provided with today. I would like to hear discussion about the MN Dream Act, and then draft a resolution.

The meetings I have attended:

Thursday, February 8th

SSCC Meeting

- Discussed Public Engagement and student learning outcomes with Associate Vice President Victor Bloomfield.
- Made recommendations for students on two search committees; Chancellor-University of Minnesota Rochester, and Vice President for International Programs.
- Discussed Project Check It with Senator Mac Fadlallah.

Student Stipend Review Committee Meeting

- Decided format for determining stipends & elected Chair of committee- Jeff Holtz.

Friday, February 9th

GAPSA Social

Thursday, February 15th

Central Corridor Advisory Committee Meeting

- Discussed how to improve committee- I suggested providing a detailed map showing where exactly the light rail will be (what lanes of traffic will be lost, where parking will be lost, etc). I also asked for a timeline of the project, so that we know when decisions will be made about what will be kept in the project and what will be removed.

Monday, February 19th

GAPSA Exec Meeting

Thank You,

Kristen Denzer
