

VICE PRESIDENT FOR FINANCE

Abu Jalal

WEDNESDAY, MARCH 28, 2007

Fellow Assembly Members,

The College Councils need to request for GCDF Type II matching funds for Spring semester as soon as possible. Each College Council may request up to \$2,500.00 for this semester. The funds must be claimed before the end of the Spring semester.

The Student Services Fees Committee, in its initial full committee deliberations, has recommended a funding level of \$392,268.00, which is \$3,000.00 less than the requested amount. The final recommendations will be made public on the 26th of March.

Currently GAPSAs is in good financial situation. We have enough money in our accounts that will enable us to operate smoothly throughout the rest of the semester and the summer.

Thank You,

Abu Jalal
