

**EXECUTIVE VICE PRESIDENT**

Kevin Wendt

Ladies and Gentlemen of the Assembly,

Welcome back! Here is my report for this past summer.

Over the past three months, I've worked with President Denzer to get through the many issues that have come up over the summer, including getting all of our new execs comfortable with their newly filled positions. We interviewed several candidates and have hired Monica Howell to be the new Grants Assistant, to replace Murat. I have coordinated with VP for Public Affairs Matt Schmit to hold interviews for a new Public Affairs Assistant. Though we have not hired anyone yet, we hope to fill the position in the next few weeks. I have bought supplies for the office, including copier paper, pop, and a new movie case.

The Internal Affairs Committee has met and handled some measures, many of which will be on the docket for our meeting. I have attended many meetings over the summer, including several with Jerry Rinehart, with our advisor, Megan Sweet, and with Kathy Brown. I have attended all of the executive board meetings this summer and gave a report at each one. I also attended and helped with student check-in at the President's Reception.

Thank You,

Kevin Wendt
