

VICE PRESIDENT FOR PROGRAMMING

Kristina Erstad

Wednesday, January 30, 2008

Greetings!

- I have attended all GAPSAs meetings required of me.
- I have been busy planning for Graduate and Professional Student Appreciation Week 2008.
- The Programming Committee did not meet during the break, but are considering adding an event sometime in April.
- I have also been busy making sure the assembly and executive board meetings have food and beverages ☺
- I have been looking into a variety of team building events for the GAPSAs executive board to try out. In the future we hope that other GAPSAs boards will start the year off with such activities.

Ongoing and upcoming...

- Possible GAPSAs event in April
- Appreciation week
- Getting everything in order for the incoming VP for Programming at the end of the academic year.

ANNOUNCEMENTS:

Upcoming Programming events:

- Friday, February 22 GAPSAs social at the Varsity Theatre
- Friday, March 7 GAPSAs Family Bowling at the SPSC and Coffman
- Friday, April 4 GAPSAs social at the Varsity Theatre (end of appreciation week)

Question: The GAPSAs Programming Committee is looking for ideas for entertainment at the Appreciation Week social April 4. In the past there has been a comedian. If you have any thoughts or suggestions please email me!

Thank You,
