Distinguish Assembly members

In the month of January, my work was mainly focused around the following GAPSA grant related issues.

1. In December's grant committee meeting, we received 52 travel grants and 13 Social/Academic grant applications requesting \$17,757 in travel grant and \$15,952 in Social/Academic grant. Please see attach file for recommended amount distributed to students and groups.
2. GAPSA fee committee will run pilot Professional grant program this spring. We will update everyone via email soon as grants committee finalizes the format. If you are interested in participating in new program, please feel free to talk to me.

ANNOUNCEMENTS:

Please support new grant's program and all GAPSA funding by voicing your support for GAPSA at fee hearing in the coming month.

Thank You,
Zeeshan Syedain
